

PERK UP YOUR OFFICE

The Forest City Coffee Company

Coffee House Quality for the Office

Because we are true coffee lovers, we understand the difference that a cup of gourmet coffee makes in our daily lives. We have taken our passion and turned it into a purpose: Delivering fresh, high-quality gourmet coffee and tea to your office.

Coffee should be a perk. Not a problem.

In recent years, people have learned to appreciate a finer cup of coffee--either by buying a higher quality of beans to use at home or by going out for specialty drinks like espresso and cappuccino. For many, starting the day with a cup of gourmet coffee is a ritual.

The Forest City Coffee Company makes it possible as well as affordable to satisfy everyone in your office who drink coffee and tea daily. With our customized service, even the pickiest coffee and tea drinkers in your office will find something to love. Forest City Coffee Company has sourced the best coffee & tea products from around the world to give you all the options you need:

- Premium Specialty Coffees
- Gourmet Single Cup Pod Coffee and Tea
- Imported and Gourmet Teas
- Rich Italian Cocoa
- Flavoring and Paper Products

Great coffee is personal. And it's professional.

Serving gourmet coffee and tea in your office delivers more than a boost of energy. It's a boost of morale for employees who appreciate the gesture. It's a boost of productivity because people don't have to leave the office to get their daily cup (or cups!) Plus, it makes a distinctive impression on your clients and other office visitors.

The Forest City Coffee Company specializes in delivering upscale coffees and teas to professional offices like yours. Even better, we've made the process easy and cost-effective no matter how small or large your office is. All you have to do is call us, and we do the rest.

Our turnkey service has all of Cleveland buzzing with delight.

No contracts. No long-term commitment.

With just a phone call to Forest City, here's what you receive:

Office Evaluation-We help you decide what's best for your office. We come to your location, evaluate your needs, and guide you in selecting the equipment and products that best fit your office. We'll even host a "taste test" so your employees can see--and taste--the difference.

Free Equipment Rental-Qualified customers will receive free equipment -- we put the world's best coffee and espresso brewing equipment into your office at no charge for as long as you like. Some machines may require a nominal rental fee, but all are available with no contracts that lock you in for a period of time. Ask for details.

Maintenance & Product Replenishment- Forest City provides free regular cleaning of your equipment and scheduled filter changes, so everything remains in proper working condition, producing the best coffee and tea. Plus, you'll receive a free biweekly delivery of products, ensuring that you never run out of coffee, tea, or supplies like creamer and paper goods.

As a locally owned and operated company, The Forest City Coffee Company is quick, responsive, and flexible. With one phone call, we'll take care of any special requests or concerns.
